

St. Joseph Health Services of Rhode Island Financial-Aid Criteria

St. Joseph Health Services of Rhode Island is proud of its commitment to provide quality healthcare to all who need it. St. Joseph Health Services of Rhode Island provides financial aid to patients without health insurance and who may not be able to pay for their care.

St. Joseph Health Services of Rhode Island also offers discounts to uninsured patients who may have difficulty paying their full hospital bill. This free and discounted care applies to essential hospital services ONLY.

Full Charity Care

We provide hospital care without charge to the uninsured with income less than:

Size of Family Unit	Annual Income Limits*
